HEADS OF YEAR

Do you have students that are at risk of becoming **NEET**?

Our Risk of NEET initiative, RONI for short, is a free service delivered at your school. Normally conducted over a period of 9 weeks in 3 hourly sessions, we can help students:

- Plan for their future
- Develop their confidence
- Expand their employability skills
- Enhance their communication techniques
- Achieve a Level 1 Progression Award

FOUR STEPS TO PROGRESS

workpays

On the programme the student will develop valuable strategies to match their skills and likes to further education and career options.

Using digital tools and creative activities we'll support the setting of future goals, working towards the student achieving a Level 1 Award in Progression.

The Award includes career searches, CV building and employer encounters.

Currently available in the following areas:

- Derbyshire • Nottinghamshire • Worcestershire • Black Country
- Coventry • Warwickshire • South East Midlands
