

# KS3 History: Distance Learning Work

From this week, we would like you to investigate and hone some historical skills. The tasks that we are going to ask you to complete will help you develop your History skills and wider knowledge. We have designed these tasks so that the **only** 'gear' that you will need is:

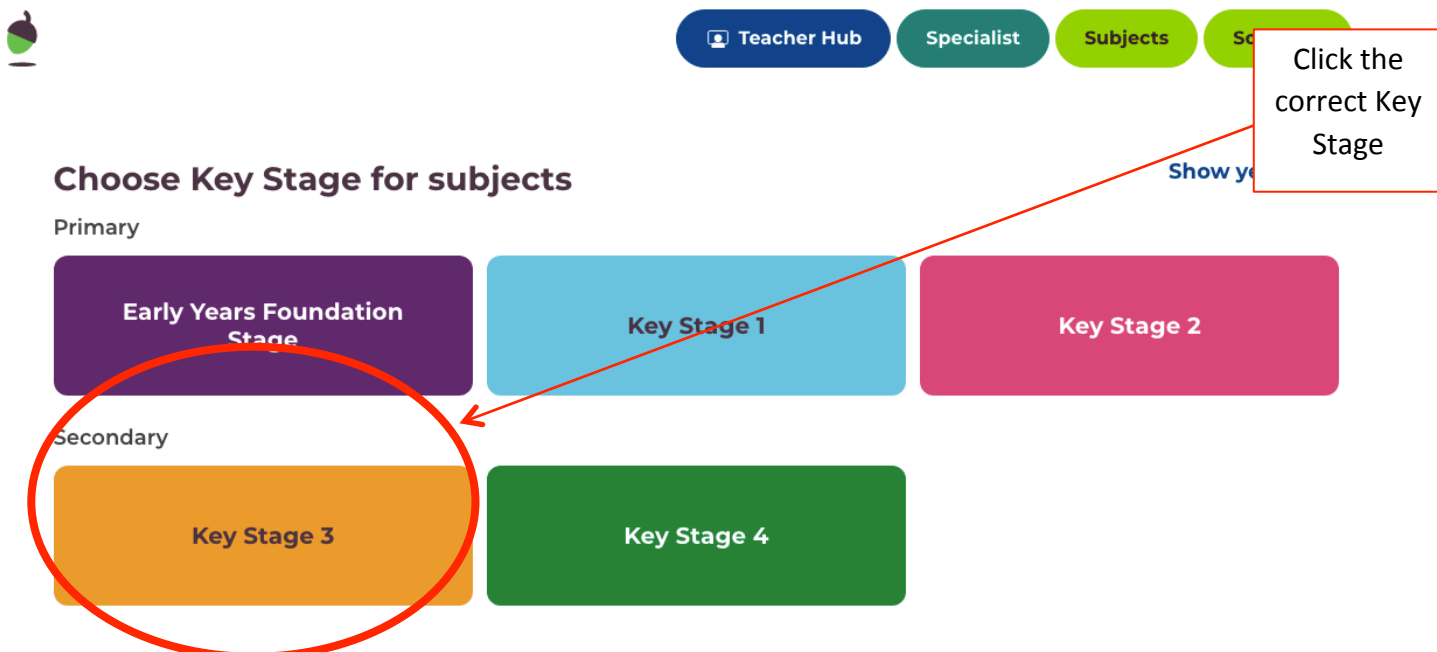

- Pen
- Paper
- Your phone (feel free to use a computer if you wish)
- The website link - <https://www.thenational.academy/online-classroom/>

Each task has been designed to take you roughly **one** hour a week only – that is it! You can stop when you get to the extension task, as this is additional or homework that will take you another 30 minutes.

When you have finished each task, please take a copy or photo of it and upload to Show My Homework, or email it to your teacher.

## What you need to do:

1. Go to the website link - <https://www.thenational.academy/online-classroom/>
