**Sirius** is the brightest star in Earth's night sky. Also known as the **Dog Star**, it shines brilliantly in the constellation Canis Major. The name originates from the ancient Greek word *seirios*, which translates to "**glowing**" or "**scorching**".

**House Motto:** Let's get Sirius

**House Characteristics :** Strength, Stamina and Support

**House song :** Serious by Seamus Haji and Mike Dunn

**House champion:** Mr Sheridan - As house champion for **Sirius**, I aim to lead students to recognise their own ability, inspire them to succeed whilst ensuring inclusivity.

Our most recent victory was for the science week house competition which put us in first place - Now let's keep the lead... Well done **Sirius!**
