21 July 2021

Dear Parent / Guardian,

Final reminder for you to inform us if you DO NOT want your child to appear in our C4 Documentary Series entitled "Class of 2020" (working title). Deadline 1st August 2021.

We are writing to follow up on our updated consent request sent on 21st May 2021 for parents and guardians to inform us if they DO NOT WISH FOR THEIR CHILD to appear in any background and general shots inside and outside the school premises.

Background and general shots were filmed over the last academic year in the following areas of the school and may have included your child:

- Canteen
- Assembly hall
- Corridors

- Classrooms
- School gates
- Playgrounds

If you DO NOT consent to your child appearing in any background or general shots, please contact us by the 1st August 2021 using the email or phone details below.

It is important to understand that if you do not notify us on or before 1st August 2021, your child may be recognisable in the finished programmes.

If you have contacted us previously to notify us that you do not give consent for your child to appear in the final programme, you do not need to do so again.

If your child appears in more than just background or general shots of the school as outlined above (for example if they are speaking or are the focus of a scene) we will be in contact with you directly to give you more details of their contribution and to request your specific consent for them to appear in the programme.

We are in regular conversation with the parents, guardians and students who have been more prominently involved in filming.

Please do not hesitate to get in touch if you have any questions or would like any more information. The production team can be contacted on 07960 201 645 or by email thelink@label1.tv

Thank you again for your continued support in the filming of the programme.

Yours faithfully
