Dear Prospective Parents, Carers & Learners,

Re: Cancellation of Open Evening 30/09/21

I write to inform you that we have regrettably taken the decision in agreement with Public Health England, to cancel our upcoming Open Evening on 30/09/21. This is due to an increase in positive COVID-19 cases at our academy. I am sure you will agree that the safety of our learners, staff and the wider community remains our highest priority.

We are extremely proud of our academy and we were delighted that this year's new cohort of Year 7 learners was significantly over subscribed. As such, I hope that this demonstrates that The Link Academy truly is the place to be.

Please note that our academy website will be updated with exciting content that you would have seen in person during the Open Evening. This will include a welcome message from me, the Principal and information from our learners, alongside a virtual tour of the academy.

We are hopeful that we will, in the near future, be able to invite individuals to tour our academy during the school day via bespoke visits. Please be reassured that we are monitoring the situation closely and we will provide an update, if the COVID-19 position changes.

May I take this opportunity to thank you for your understanding and support at this time.

Yours faithfully

Emma Edwards-Morgan
