November 2021

Dear Parent/Carer

Year 11 Progress and PPE Results Evening – Thursday 9 December 2021

I write to invite you to attend a meeting to discuss your child's progress. Due to ongoing Covid-19 concerns and making sure we keep your child, you and our staff safe, these meetings will be held virtually. The purpose of these meetings is to offer you the opportunity to meet with your child's subject teachers and discuss how they are progressing in their subjects.

To celebrate our learners hard work and commitment this term, we will host a Year 11 assembly during period 5 on this date, where they will be able to collect their PPE results and we shall provide them with food to commend them for their hard work. We will also be issuing learners with a number of surprise GOLDEN TICKET rewards during the course of the assembly including 'MOST IMPROVED LEARNER', 'MOST IMPROVED EFFORT' and a range of other rewards.

Your child will then return home with their PPE results and can discuss them with you before you meet with their subject staff. This will then give you the opportunity to ask any questions regarding the results to their subject staff.

Each teacher appointment will be for **5 minutes** only. This is to allow for all parents/carers to receive all necessary information. Appointments can only be booked by accessing the following link on iCloud. This system ensures that your appointments are booked in the most efficient way.

You can also access this link via the school website by clicking on the three people icon on the top right of the page (or at the bottom of the menu bar if viewing on a mobile device). This link will close at 3pm on Wednesday 8 December 2021.

Yours faithfully

Mrs E Edwards-Morgan
Principal
