2 February 2022

Dear Parent/Carer

### Year 9 Options Presentation

In the very near future, your child will be selecting the subjects they wish to continue to study as they move into KS4 and begin their journey to achieving GCSEs or equivalent. Over the last week your child has been given information regarding the options process and assemblies have begun to provide a detailed overview of each option subject, delivered by specialist staff in that subject area. Providing your child with this information is the first step in helping them to make a choice that will lead to their enjoyment and success for their future.

We recognise the impact of Covid-19 on face to face lessons over the last two years but we are committed to our young people, parents and carers so that our Year 9 learners can 'Dream Big' and make informed choices. In order to help you and your child make an informed decision, we would like to invite you to an information event regarding the options process to be held in the main hall of the academy on **Tuesday 15 February 2022**. During this event, you will be given information regarding the process of making informed choices, what this means for your child at KS4 and how these choices may impact on Post-16 education and training pathways.

To reduce the number of people in the main hall at any one time, we will be conducting two presentations at the following times:

5:00pm – H-Band learners (Brecon and Clent forms)

5:45pm – T-Band learners (Kinver and Malvern forms)

Please only attend in the correct slot to ensure that we are able to accommodate social distancing. You will also be required to wear a face covering at this event.

If you have any questions, please do not hesitate to contact me on 01384 986550.

Yours faithfully

Mr S Roe  
Acting Assistant Principal - Curriculum
