13 June 2022

Dear Parent/Carer

Year 10 Pre Public (Mock) Examinations – June 2022

As you are aware your child will be sitting their GCSE examinations during Summer 2023. In preparation for these exams there will be three occasions where PPE examinations will take place during school time. The first of these begins in June 2022. This will allow your child to gain valuable experience sitting examinations under formal conditions and will also inform us about how your child is progressing in each of their subjects. Exam performance will then support teachers in planning the final few months of Year 10 as well as moving forward to Year 11. The data gathered also allows teaching staff to be rigorously accurate in submitting predicted grades, which your child will need when completing applications to post-16 education centres.

Please find enclosed a copy of the PPE Examination timetable (please note - your child will only sit examinations in their relevant subjects).

If afternoon exams finish after 2.15pm, pupils will be dismissed directly from school site.

If you have any questions please contact myself in school on 01384 986550.

Yours faithfully

Mr Roe
Acting Assistant Principal - Curriculum
