Dear Parent/Carers

### Year 11 Half Term Revision Sessions – English and Mathematics

Thank you to those of you that were able to attend our Y11 Progress Evening on 23<sup>rd</sup> January 2025. During the discussions between parents/carers and teaching staff, we were of course reminding learners of the **importance of their own individual revision** in the run up to their final summer examinations! It is absolutely vital that your child is producing and following their **own revision timetable** and also showing you evidence of their revision. Every week our Y11 learners are set English and Mathematics home learning that is directly preparing them now for their final exams. As parents and carers, we really need your support in encouraging them to complete **ALL home learning** to the best of their ability, even if it means keeping their phone away from them for an hour! Ultimately now, the hard work that they put in, will put them in the **best possible place** for their final GCSE/BTEC and CNAT examinations.

In addition to their own revision, during half term and in the lead up to half-term, we will be offering a number of targeted online revision sessions for all subjects. However, I wanted to take this opportunity to give you an early 'heads up' on the placement of the **English and Maths sessions** so that you can get these dates in your calendar or diary. These sessions will be delivered by subject specialists and attendance to these sessions is **absolutely crucial**. Learners will be sent a Teams link to the relevant sessions, to their school email address and will need a pen/note book and paper for each session.

#### English Revision Sessions:

Language Paper 2 Section A	Tuesday 11 February 2025 at 5.00pm
Language Paper 2 Section B	Thursday 13 February 2025 at 5.00pm
Language Paper 1 Section A	Sunday 23 February 2025 at 10.30am
Language Paper 1 Question 4	Sunday 23 February 2025 at 6.00pm
