

# SUPPORTING OUR YOUNG PEOPLE AND THEIR FAMILIES

## FREE UNIFORM ITEMS

Our Trust is more than a Trust and we are more than a school. This means that we go the extra mile in supporting our young people and their families.

We are proud to be part of Dudley Academies Trust, a Multi Academies Trust (MAT) in the heart of Dudley which is made up of two primary schools and four secondary schools.

Any new Year 7 learner that joins our school is gifted with a free blazer and tie.

You will receive information about how to obtain these items of uniform in the coming weeks. Further details in relation to our school uniform can also be found on our website under Parents & Carers > Uniform & Suppliers.

# FREE SCHOOL MEALS

## Did you know?

The criteria for Free Schools is changing from April 2025.

We wanted to inform you of this important change regarding government funding for Free School Meals (FSM). Any application before this date will remain unchanged however, any learners requiring Free School Meals after 1st April 2025 will be subject to the new criteria. We therefore, encourage all parents and carers to apply early.

Over the coming weeks, our Transition Lead and Assistant Principal, Mr Chater will be in contact with you to share all the exciting details regarding your child's move from Year 6 to Year 7. To get ahead and to apply for Free School Meals, simply complete our New Learner Data Collection Form available on our website under Parents & Carers > New Learner Data Collection.

We ask all Year 7 parents to complete this form. Please include the main parent/carer's Date of Birth and National Insurance Number for your child. We can then support you by applying for FSM on your behalf.
