Dear Parent/Carers

Re: Year 11 Easter Revision Sessions

Year 11 have had another busy half term and are working extremely hard. Over the Easter break we are offering a number of online and in school revision sessions (please see attached timetable). These online sessions will be delivered by subject specialists, to their school email address.

We are giving each learner a small exercise book to record their Easter revision, and they will be expected to have this with them for very session. Every learner who brings back their revision book will be rewarded and their name will be entered in a random name generator for a £10 voucher.

Learners attending sessions in school do not need to wear their school uniform and must arrive through reception.

Please discuss the importance of these sessions with your child. If you have any queries, please do not hesitate to contact me.

Yours faithfully

Mrs V Haggart
Vice Principal
